

A BETTER LIFE THROUGH AUTHENTIC CONNECTION

Isaac

- 👤 Isaac Elliott is a dedicated, reliable and enthusiastic individual looking to support clients with their activities of daily living and community engagement. Isaac is skilled in several areas which may be of interest to the preferred age group, including website creation and design, gaming, boating, fishing, general car maintenance, staying active and cooking.
- 👤 Isaac has experience upholding safe work practices in previous positions.
- 👤 Isaac is currently undertaking study in Certificate III in Individual Support. This course is supporting him to develop additional skills in the management, coordinating and delivering of person-centred services to individuals. He has enjoyed learning how to empower and facilitate social inclusion for clients with a disability and is motivated to help advocate for those in his care.
- 👤 Isaac is looking forward to assisting individuals who are looking to get out and about within their community, in a safe and supported way!
