A BETTER LIFE THROUGH AUTHENTIC CONNECTION

Kingsley

- ✓ Kingsley is a welcoming and understanding person who enjoys meeting new people. He has a warm relaxed attitude that passes on to those around him.
- ✓ He is from the country and loves the outdoors. He particularly enjoys the beach, sports, archery, camping, skating and hiking. He's passionate for teaching people and helping them learn new skills in activities they've never tried before.
- ✓ Kingsley has been working in the school system since 2018 guiding students to meet their personal and academic goals. He predominantly supports young males and loves being able to create healthy relationships and become a 'big brother' to them. He is highly regarded in this and has helped many boys grow into upstanding young men over the years.
