

A BETTER LIFE THROUGH AUTHENTIC CONNECTION

Ruby

I am a highly empathetic individual, driven by a profound understanding of others' emotions, and I find fulfilment in offering comfort and support during challenging times. My passion lies in making a positive impact on people's lives, and I particularly enjoy introducing them to new places and the excitement of outdoor experiences. As a naturally talkative and energetic person, I thrive in engaging conversations and creating moments filled with laughter.

Skills & Experience

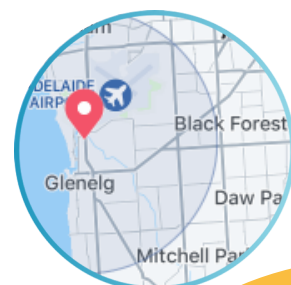

- ✓ Experience having successfully managed and directed an inclusive outdoor adventure summer camp in Canada.
- ✓ Completed non-violent crisis intervention training.
- ✓ Strong interpersonal skills from experience working in hospitality and with people with disabilities.
- ✓ Certified barista. Loves to show others how to make the perfect coffee.
- ✓ My diverse professional background includes working with various disabilities, including autism, cerebral palsy, intellectual disabilities, vision and hearing impairments, epilepsy, and ADHD.
