

# A BETTER LIFE THROUGH AUTHENTIC CONNECTION

## Sam

Hi my name is Samantha, I am the type of mentor who will always listen to people so that I can understand where they are coming from. I try my hardest to encourage and motivate those who struggle to find their place within the community. I like to help by making people feel heard, understood, confident and comfortable enough to be their authentic selves. I will always strive to help get people out into the community to try new experiences, discover new passions and work towards any goals they have. You should pick me as your mentor if you're looking for a fun, happy and easy-going mentor. Someone who will work with you and help to encourage you to chip away at your life's needs and personal goals. We can make the boring things fun and then fun things funner. I look forward to working with you.
