

Easy Read - Emergency and Disaster

	We will work with you to create an emergency plan.
	Your emergency plan will reduce and get rid of any risks during an emergency or disaster.
	An emergency is any sudden, urgent, unexpected event that may cause grave risk to your health, life, or environment.
	A disaster may cause loss of life, damage, or hardship (such as fire and flood), but it is something you can be prepared for.
	Your emergency plan ensures continuous support and manages your safety needs.
	Your emergency plan reviews what is critical to your safety, health, and well-being.
	Your emergency plan considers planning and responding to an emergency and disaster.
	Your emergency plan will look at potential changes, adapting and rapidly responding to ensure your support.
	We will write the communication strategies for you and your network into the plan.
