# A BETTER LIFE THROUGH AUTHENTIC CONNECTION

## Ella

Hello, my name is Ella. I consider myself a calm and compassionate person who naturally empathizes with individuals from all walks of life. Originally from Melbourne, Victoria, I moved to Brisbane, Queensland, especially during the challenging times of the COVID-19 pandemic.

Throughout my 12 years as a licensed real estate agent, I've learned how vital support, care, and kindness are in our lives. Growing up in a large family provided me with an abundance of love and friendship, which I am eager to share with you.

Life's journey has taught me invaluable lessons through its ups and downs, and I am dedicated to finding harmony and happiness along the way. I am excited to begin my studies in counseling because I truly believe in the power of helping others navigate their mental health and life struggles. I am here to be a source of support for you.
